1.01 PURPOSE OF POLICY

The purpose of this Personnel Manual is to provide a uniform policy and a set of rules governing City employees. It is the intent of the City to use sound and systematic personnel procedures to strive for high degree of understanding, cooperation, utility, and efficiency. These policies are intended to meet the following objectives:

To promote and increase productivity, efficiency, and economy in the service of the City.

To establish and promote high morale among City employees by providing personnel policy, opportunities for advancement, good working relationship, and consideration of employees' needs.

To provide that continued employment is subject to satisfactory work, necessity for performance of work, and availability of funds.

To ensure that all federal, state, and local laws in relation to employment and working conditions are complied with fully.

To provide fair and equal opportunities to all qualified citizens to enter City employment on a basis of demonstrated ability, merit, and physical fitness, as ascertained through fair and practical methods of selections, free of personal and/or political consideration.

The policies and procedures contained in this manual will be revised as necessary to comply with City, State and Federal regulations.

All City employees shall be informed of the existence of these rules, and each department shall keep at least one copy available for reference by its employees.

1.02 COVERAGE

These policies shall apply to all employees of the City of Texarkana, Arkansas, except as specified. When regulations or procedures do not apply to all employees, exceptions will be noted with a separate section written for each category of employee.

1.03 ADMINISTRATION

- (b) The City of Texarkana, Arkansas, is an affirmative action employer. The City of Texarkana, Arkansas will strive to recruit and train employees, promote members of minority groups, and women, so that they are approximately equal in proportion to their percentage of population, within the City of Texarkana, Arkansas. Nothing in this statement requires the City to hire any specific number of employees of any sex or race, or to hire or promote any person who is not the best qualified for the position. The Affirmative Action Plan does require the City to conscientiously recruit and promote in a manner so that employment with the City will reflect community population levels.

2.02 AT-WILL EMPLOYER

The City of Texarkana is an at-will employer. The City of Texarkana, or any City employee, may terminate the employment relationship at any time for any reason, with the understanding that neither has an obligation to base that decision on anything but his or her intent not to continue the employment relationship. The Personnel Office may disqualify for employment any candidate clearly not qualified for a particular position.

The making of deliberate false statements on an application for employment is cause for refusal of employment and, if discovered after appointment, is cause for dismissal.

2.06 RECRUITMENT BY DEPARTMENT

Nothing in these policies shall prevent any department head or other supervisor from undertaking recruitment efforts to fill a vacancy in his or her department. The department head or supervisor shall, however, notify the Personnel Office of such efforts and, if an acceptable candidate is found, shall refer that candidate to the Personnel Office for processing in accord with established procedures.

While it is the City's policy to promote from within whenever possible, when specialized skills and/or experience are needed to fill a vacancy, it may be necessary to hire from outside the City employment base.

2.12 TRANSFERRED EMPLOYEES

No employee may be transferred to a position for which he or she does not possess the minimum qualifications and experience. 2.18 NEPOTISM

In accordance with state statutes, no person shall hold an appointive or paid position with the City, who is related by blood or marriage in the third degree, either to a member of the Board of Directors or to the City Manager. Provided, however, this prohibition shall not prevent a person who holds an appointive or employment position with the City, at the time the person’s relative becomes City Manager or a member of the Board of Directors, from continuing in that position or employment. (ACA 14-47-135)

Members of the immediate family of employees may be employed by the City as long as they do not work for the same immediate supervisor. CHAPTER III: CLASSIFICATION AND PAY

3.01 POSITION CLASSIFICATION PLAN

The City Manager, or his designee, shall be responsible for the preparation, maintenance, and revision of a Position Classification Plan for all positions in the classified service. The Position Classification Plan shall be based upon similarity of duties performed and responsibilities assumed so that the same qualifications may reasonably be required of, and the same schedule of pay may be equitably applied to, all positions in the same grade. Each grade is, in turn, assigned multiple steps. The steps are numbered from the lowest to the highest. The body of grades and steps constitutes the City's Position Classification Plan. Department Heads and supervisors have a duty to report to the City Manager substantial changes in duties and responsibilities of positions under their control in order for classification adjustments to be made and for the plan to remain current.

3.02 PAY PLAN

The City Manager, or his designee, shall be responsible for the preparation, maintenance, and revision of a pay plan, which shall be adopted by the Board of Directors. Said plan shall set forth salary ranges to include minimum and maximum rates of pay and intermediate steps for all classes of positions included in the classification plan.

Salary ranges shall be determined by the relative difficulty, responsibility, experience, and qualifications required of a class, the prevailing rates of pay for similar employment in private establishments and other public jurisdictions in the area, cost-of-living factors, the financial condition and policy of the City, and other economic considerations.

3.03 STARTING PAY

New employees shall normally start work at step "1" of the grades to which their positions are allocated by the classification plan. Upon the successful completion of 6 months employment, employees will be granted a pay increase to the next higher step established in the pay plan for such purposes, if approved by the department head.

In the case where a candidate for employment clearly has exceptionally good qualifications for the work of the position, he or she may be employed initially at a step in the pay plan higher than the "1" step; provided, however, that the department head and the City Manager shall approve such appointments and that sufficient budgeted funds are available to permit such appointments.

3.04 PERIODIC PAY INCREASES

Pay increases are normally considered by the Board of Directors in the Annual Budget. (B) Accumulation:

(i) All regular full-time employees may accumulate a maximum of ninety (90) days of sick leave. For Firefighters working 24-hour shifts, ninety (90) days is defined as 2,160 hours. For all other full-time employees, ninety days is defined as 720 hours.

(ii) Upon March 4, 2019, sick leave accrual will cease for any employee with accrued unused sick leave currently in excess of the applicable ninety (90) day maximum set forth immediately above, until such time as said employee's unused accrued sick leave falls below said maximum, whereupon sick leave accrual will resume, but shall not, thereafter, exceed the applicable maximum set forth immediately above.

(C) Eligibility:

An employee may be eligible for sick leave days for the following reasons:

- (1) Personal illness or physical incapacity.
- (2) Quarantine of an employee by a physician or health officer.
- (3) Illness in the immediate family which would require the employee to take care of the family member(s). Immediate family is defined as spouse, children, and parents. Any paid sick leave for this purpose in excess of twenty-four hours per calendar year, shall be at the discretion of the employee's department head.
- (4) Medical, dental, or optical visits.

NOTE: Temporary, part-time, and seasonal employees do not earn sick leave.

(D) Notification:

Unless otherwise provided by departmental policy, an employee who is unable to report for work due to one of the previously listed sick leave reasons, shall report the reason for his absence to the employee's supervisor, or someone acting for the employee's supervisor, within 30 minutes from the time the employee is expected to report for work. Sick leave with pay may be denied unless such report has been made as aforementioned. Departments providing emergency services may establish additional notification requirements.

Falsification of information or failure to follow call in procedures will result in disciplinary action up to and including termination.

Failure to notify the City of an absence of three or more days, or to return to work upon expiration of sick leave, will be considered abandonment of the position.

(E) Abuse of Sick Leave:

Sick leave shall be used for the purpose for which it is intended, that being to provide employee protection against loss of pay due to illness or injury. Sick leave may not be converted into any other form of compensation such as vacation or worker's compensation. Sick leave shall not be considered a privilege an employee may use at his discretion, but shall be allowed only in case of necessity and actual sickness or disability of the employee. Abuse of sick leave or excessive use of sick leave as monitored by the department head and/or City Manager may be cause of disciplinary action which may include dismissal.

(F) Documentation of Illness:

An employee shall, upon request of the supervisor or department head, furnish a statement from the attending physician to substantiate use of sick leave. An employee on sick leave may be required to obtain a second medical opinion from a physician of the City's choice at the City's expense.

(G) Charging Sick Leave:

Absences due to illness will be charged in the following sequence:

- Accrued sick leave
- Accrued annual leave
- Catastrophic Leave when applicable
- Medical leave without pay

If an official holiday occurs during a period of illness, the holiday leave will be charged rather than sick leave.

For an employee on a shift work assignment, time off may be charged against accumulated sick leave, only for such days that the employee is scheduled to work. Sick leave shall not be charged against any employee for any period of sickness, illness, or injury for any days which the employee is not scheduled to work. [ACA 14-52-107(b)(2)]

(H) Activity While on Sick Leave:

An employee who has reported off sick is expected to remain at home during the time the employee would otherwise be working, unless hospitalized, visiting a doctor, or obtaining medication or treatment as prescribed by a doctor. An employee shall not engage in any other employment during

the time the employee is allowed to use sick leave. An employee may be required to perform light duty rather than claim sick leave if authorized by a physician.

(I) Payment on Separation from Employment:

Regular full-time employees may receive a cash payment for a maximum of 480 hours accumulated sick leave, only upon retirement. Firefighters working 24 hour shifts may receive a cash payment for a maximum of 720 hours upon retirement. Except as otherwise provided by state law, sick leave over 60 days is not to be credited to service time for retirement purposes. Resigning employees will not receive a cash payment for accumulated sick leave.

In all matters concerning sick leave for fire and police employees, strict compliance with Arkansas statutes is required.

(J) Catastrophic Leave Bank:

The purpose of the Catastrophic Leave Bank as adopted by Ordinance L-287 is to allow eligible participating employees who have exhausted all available leave balances to receive additional leave benefits for extended absences upon submission of a properly documented application. For questions, please contact the Personnel Office or visit the City's website at <https://cityoftexarkanaar.com/>.

Existing policies for other types of leave are not affected by this program.

4.03 MATERNITY LEAVE

Employees affected by pregnancy, child birth, or related medical conditions shall be treated the same for all employment-related purposes as employees disabled for non pregnancy-related reasons. Therefore, accrued sick leave and vacation leave will be granted for maternity use, after which, leave without pay must be used. Provisions of the federal Family and Medical Leave Act of 1993 will be observed in granting the leave. Additional information and applications are available in the Personnel office.

If the employee desires to return to her position of employment following maternity leave, she must submit the request in writing to the department head at least one month prior to the anticipated leave date. This information will be used for temporary replacement scheduling and processing status change records.

A pregnant employee will be allowed to work as long as her physician deems fit. However, written consent from the employee's physician may be requested after the seventh month of pregnancy. If the employee does not report for work at the expiration of the leave, she will be considered separated from employment. If complications occur, an extended leave of absence must be approved by the department head.

Employees who return to unrestricted work duties on a timely basis will be reinstated to the last position and pay rate held prior to the leave. In the event the last position is not available due to unavoidable job changes, the employee will be reinstated to a comparable position.

4.04 COURT DUTY LEAVE

This section does not apply to employees who are witnesses in court actions in which they have a personal interest.

Employees will be granted leave with pay for jury duty, or if summoned as a witness in a court action as long as they are not personally involved and their presence is not required as a result of

outside employment. Employees are also permitted to retain the allowance from the court for such service. The time off will not be counted against annual leave.

To qualify for jury or witness duty leave, employees must submit a copy of the summons or other relevant court-related paperwork to the department head as soon as possible after receiving it. In addition, proof of service must be submitted to the employee's supervisor when the period of jury or witness duty is completed. Employees working night shifts, and who are serving during the day, shall take jury/witness leave on the night shift of the day on which they serve.

Certain employees will be required to appear in court as witnesses in the course of their job duties. Non-exempt employees will be compensated through overtime payment or adjusted work schedules.

4.05 LEAVE WITHOUT PAY

Regular full-time employees may request a leave without pay for reasons of health, completion of an educational degree, or some activity which will directly benefit the City. Also, any employee who becomes a candidate for a city, county, district, state, or national office may be granted a leave of absence without pay during the time he actively campaigns. The request must be made in writing to the City Manager and after approval is made, it should be forwarded to the Personnel Office to assure the proper status changes are completed.

Leave without pay shall not be granted for an employee to try out a new, non-City position of employment.

During this leave, the employee will not accumulate sick or annual leave or be paid for holidays. The employee will be responsible for all premiums for any group insurance program.

Failure on the part of the employee to return to work promptly at the expiration of the leave of absence shall be considered as voluntary resignation.

A leave of absence without pay will not be granted when such leave will hamper the efficient operations of the City.

4.06 EDUCATIONAL LEAVE

The City recognizes there are times when required courses are not offered during night school or, as in the case of Public Safety personnel, course time may conflict with work schedules. Every effort should be made to schedule class time during non-working hours, but for those rare times when this is not possible, the City has established Educational Leave.

Educational Leave may be granted by the City Manager upon recommendation by the department head for a period not to exceed three (3) hours per week.

This period of absence shall be made up as scheduled by the appropriate department head.

The course the employee takes must be from an accredited educational institution. Courses must be directly related to the employee's duties and better equip him or her to perform them or be a part of an approved degree plan related to the job.

The Department Head may request the employee to provide verification of class attendance.

4.07 FUNERAL LEAVE

Funeral leave may be granted for up to forty (40) paid hours for employees working standard eight hour shifts, fifty-five (55) hours for employees working eleven hour shifts, and seventy-two (72) hours for employees working twenty-four hours shifts per each loss of an immediate family member, per year, to all regular full-time employees, to attend the funeral of the employee's immediate family member. Immediate family shall be defined as husband, wife, father, mother, child, brother, sister, grandparents, grandchildren, and the comparable in-law relationships.

4.08 MILITARY LEAVE

- (a) Military Leave shall be governed by applicable State and Federal Law, including the Uniformed Services Employment and Reemployment Rights Act (USERRA).

- (b) Members of the Reserve and National Guard shall be granted leave for purposes of active duty training in accordance with Federal Law. Individuals must present a copy of the orders to the Finance Director or designee. The leave shall not adversely affect vacation or sick leave benefits. The City will pay the employee's regular City salary for a period of 15 days, plus necessary travel time for annual training requirements or other duties, performed in an official duty status in any one calendar year. To the extent this leave is not used in a calendar year, it will accumulate for use in the succeeding calendar year, until it totals 15 days at the beginning of the calendar year.

4.09 MISCELLANEOUS LEAVE

The attendance of employees to seminars and training programs is considered part of continual professional development. Attendance to such meetings is to be approved prior to registration by the department head and/or City Manager. In the event exempt employees are required to attend meetings at a location requiring an overnight stay with travel time in excess of the employee's normal work day, overtime will not be paid. However, the City will pay all reasonable out-of-pocket expenses for lodging, travel costs, meals, etc., pursuant to its regular travel policy.

Non-exempt employees attending one-day training sessions related to their job shall receive compensation for time spent traveling to and from other cities. Time spent traveling to and from other cities on overnight assignment is counted as work time, only to the extent it coincides with the employee's regular work day.

Birthdays must be taken during the month the birthday occurs and be approved by the department head or supervisor.

Holiday pay is given to all regular, full-time employees, provided they worked on the last scheduled work day prior to, and next scheduled work day after the holiday, or had prior approval from the department head to take annual leave. Employees on annual or sick leave during a holiday period will receive holiday pay for authorized holidays. Employees on leave without pay status do not receive pay for holidays. Employees called in to work in emergency situations on a holiday will receive double-pay for the hours worked.

For departments which operate 24 hours a day, seven days a week, the department head will adjust the holiday leave schedule for non-Civil Service employees, according to the departmental work schedule.

The appropriation made by the City Board of Directors for salaries, will include additional pay for holidays for all eligible employees of the City including, but not limited to, Civil Service employees, as provided by the laws of the State of Arkansas.

This compensation shall be based on the law enforcement officer's daily rate of pay and in addition to the regular pay schedule. This compensation may be included within the officer's base pay. All matters in question on leave will be at the City Manager's discretion and in accordance with State and Federal laws.

4.11 EMPLOYEE HEALTH BENEFITS

The City of Texarkana provides a group health plan for all its regular full-time employees. Detailed information on the policy and coverage is provided to the employee at the time of employment and

as coverage changes. Additional information may be obtained from the Personnel Office.

Policy benefits and employee contributions shall be as established by the City Board of Directors and are subject to change by the Board of Directors. An employee must pay the premium if on leave without pay as provided by federal law, unless on leave governed by the Family and Medical Leave Act of 1993. In the event an employee separates from the City, the Federal rules concerning extended health coverage under Cobra shall apply.

4.12 OCCUPATIONAL INJURIES/TRUAMATIC EVENT COUNSELING

Occupational Injuries:

All employees of the City are covered under the Arkansas State Workers' Compensation Law. Rules and regulations concerning Workers' Compensation are posted on City bulletin boards. Any employee incurring an "on-the-job" injury shall immediately notify his supervisor, who will arrange for appropriate medical treatment and prepare the necessary reports required for the employee to be compensated.

The supervisor will provide the report to the Personnel Office within 24 hours of the incident. The employee will, if possible, go to the Personnel Office and provide the data to complete the Employee's Report of Injury, and will provide any other applicable information. The employee must submit documentation of any expenses he pays himself to the Personnel Office for reimbursement, if allowed, by Workers' Compensation insurance.

Workers Compensation does not pay for the first eight days following an occupational injury. The City will allow an employee to claim sick leave for salary lost due to an occupational injury for that period.

In the event the disability extends beyond the eight day period, Workers' Compensation will pay the employee in accordance with State law. The City will allow the employee to claim sick leave to pay the employee the difference between the employee's Workers' Compensation pay and the employee's salary, for a period up to, but not exceeding six months. If, at the end of six months, the employee is unable to return to work because of reasons related to the initial injury, only Worker's Compensation insurance will be paid.

The City reserves the right to have the employee examined at any time by a physician of its choice.

The City reserves the right to assign an employee to duties at the same rate of pay, other than those being performed at the time the injury occurred, providing a physician gives approval to duties that will not hinder recovery from the injury.

Traumatic Event Counseling:

The City shall provide coverage for licensed counseling for a public safety employee who experiences a traumatic event while in the course of duty according to Act 537 HB 1302.

The coverage under subdivision (b)(1) shall allow for up to twelve (12) licensed counseling visits per calendar year. The City shall pay for the licensed counseling visits. The licensed counseling visits may be provided through telehealth.

Additional information may be obtained from the Personnel Office.

4.13 RETIREMENT PLANS

The City contributes to retirement and pension plans for its regular full-time employees. Upon employment, employees will receive information regarding the plan for which they are eligible.

Non-Civil Service:

Texarkana Arkansas Public Employees Retirement System (TAPERS):

The City administers a defined benefit plan for non-Civil Service regular hourly full-time employees. Employees hired before July 1, 2002, who are not covered under any other plan, are eligible for participation in this plan. The City contributes ten percent of the employees' salary to the plan; the participating employees must contribute two percent of compensation to this plan. Employees with 10 years service are fully vested. This is a closed-end plan, and no new participants will be enrolled in this plan effective July 1, 2012.

ICMA-RC Deferred Compensation Plans:

An employee transitioned from the TAPERS retirement system on July 1, 2012 will be enrolled in a 401(a) plan administered by the International City Management Association Retirement Corporation. If an employee has an accrued benefit in TAPERS, the benefit will be frozen and will not accrue any additional amount as of July 1, 2012. The benefit will earn vesting credit with increased service with the City. The City will contribute ten percent of the employee's salary to the 401(a) plan. The participating employee must contribute two percent of compensation to this plan. All non-civil service employees hired on or after July 1, 2012 will also be enrolled in this 401(a) plan.

Non-Civil Service regular full-time exempt employees may choose to participate in a separate 401(a) plan administered by the International City Management Association Retirement Corporation as their retirement plan. The City will contribute ten percent of the employee's salary. The participating employee must contribute two percent of compensation to the plan.

An employee who has 20 years of service or has reached age 60 with 10 years of service may retire in the eyes of the City. Upon retirement you will be eligible to receive sick time payout as well as have an option to continue health insurance coverage under the City group plan.

All employees are eligible to participate in an ICMA-RC 457 and IRA Plan as a supplemental retirement plan. The Personnel Office should be contacted for additional information about arranging payroll deductions for this program.

Civil Service:

Policemen's Pension and Relief Fund:

The City contributes six percent of an officer's salary to the fund which is governed by the laws of the State of Arkansas (ACA 24-11-401-433).

Firemen's Relief and Pension Fund:

Firefighters hired prior to January 1, 1983, are enrolled in the Firemen's Relief and Pension Fund, which is administered by a local board of trustees. The City contributes six percent of the firefighters' salary to this fund which is governed by the laws of the State of Arkansas (ACA 24-11-801--828).

and Fire Retirement system, which is administered by the State of Arkansas. The City's contribution to this plan is set each year by the State agency which administers the plan (ACA 24-10-101--616).

For additional information about any of these retirement plans, employees may contact the Personnel Office or their department head.

Employees who plan to retire are urged to provide the department head and Personnel Office with a minimum of two months notice. This will allow time for completing the retirement procedures and ensure that retirement benefits may commence in a timely manner.

4.14 TUITION AID

After permanent employment (6 months Non-Civil or 1 year Civil (if approved)), regular full-time employees interested in continuing their education in a job related field are eligible for financial assistance, pursuant to availability of City funding. Assistance is provided for payment of tuition only and is paid directly to the school.

Enrollment must be in an accredited college, university, or trade/vocational school in courses directly related to the employee's City position, or part of a degree plan in a field related to his or her department. The City will pay a maximum of six hours per semester. To continue receiving financial assistance, the employee must receive a grade of "B" or better for graduate courses, a "C" or better for undergraduate courses, or if applicable, a grade of "passing". The employee must submit a copy of the grades to the Personnel Office within five working days of receiving them.

Failure to provide this information will be construed as non-completion with an acceptable grade, and the employee will be required to reimburse the City.

If an employee receives an "Incomplete", the course must be completed within a year, or the City must be reimbursed for the course and the employee will not be eligible for tuition aid in advance, for a period of one year.

If an employee drops a course, the Personnel Office must be notified or the employee will be held responsible for the cost of the dropped course. If a course is dropped too late for the tuition to be refunded, the employee will be responsible for the cost of the course not refunded to the City.

An employee who separates from employment for any reason, other than reduction in force within one year of the first class, will be liable for repayment of the City's expense for tuition aid. The amount will be deducted from the employee's final check.

Enrollment Procedures

- Requests for tuition aid must be approved by the department head and the Personnel Director.

- caring for immediate family members with a serious health condition
- a serious health condition that makes the employee unable to perform the essential functions of his or her job

An employee who has been employed for less than 12 months and worked less than 1250 hours in that year, can request a leave, but if the leave is granted (a) must prepay insurance premiums, (b) is not guaranteed an equivalent position upon return, and (c) is not eligible for an intermittent leave or reduced leave schedule.

Duration and Schedule of Leave

An employee is limited to 12 weeks of family and medical leave in an employment year. A leave for birth, adoption, or placement of a child, must be completed by 12 months after the birth or placement.

Up to 12 weeks of leave for certain qualifying exigencies arising out of a covered military member's active duty status, or notification of an impending call or order to active duty status, in support of a contingency operation, and up to 26 weeks of leave in a single 12-month period to care for a covered service member recovering from a serious injury or illness incurred in the line of duty on active duty. Eligible employees are entitled to a combined total of up to 26 weeks of all types of FMLA leave during the single 12-month period.

An eligible employee may request an intermittent leave or a reduced leave schedule because of

the employee's serious health condition, or to care for the employee's spouse, child, or parent with a serious health condition when the need is certified by a physician or practitioner. Intermittent leave is leave taken in separate blocks of time due to a single illness or injury. Reduced leave is a schedule that reduces an employee's usual number of working hours per day or week.

Compensation

The City does not provide compensation during a leave of absence. The employee's accrued sick and/or vacation leave will be charged during Family and Medical Leave. Workers Compensation leave shall run concurrently with Family and Medical Leave; however, an employee is not required to substitute sick or vacation leave during an absence covered by payments from state workers' compensation funds.

Insurance

An employee who is receiving workers' compensation benefits, and also taking family leave, cannot be forced to return from family leave to take a "light-duty" assignment. However, a refusal to take a light-duty assignment could mean suspension of workers' compensation benefits under applicable state law. If a light-duty assignment is accepted, the employee's right to return to the original or an equivalent job continues until 12 weeks have passed. This 12 weeks period includes the employee's FMLA leave and the time spent doing light-duty work.

If the employee does not return to work at the conclusion of the leave for a reason other than (a) the continuation, recurrence, or onset of a serious health condition of the employee or immediate family member or (b) circumstances beyond the employee's control, the employee must repay the City-paid insurance premiums, or a pro rata share for an intermittent or reduced leave, within 90 days of the conclusion of the leave. Covered employees not returning to work will be offered health insurance through COBRA.

Dependent insurance premiums must be prepaid by the employee on leave on the first of each month, or insurance for the dependent(s) will be terminated.

Benefits

During a FMLA leave not covered by sick or annual leave, the employee shall retain seniority but will not earn any leave. Health insurance premiums will be maintained on the same basis as if the employee were working. In the event an employee does not return to work after the completion of FMLA, the employee will be responsible for the repayment of insurance premiums in accordance with FMLA guidelines.

Documentation

Except in emergencies, the employee must submit a completed Application for Family or Medical Leave at least 30 days in advance of the leave and a Certification of Physician or Practitioner to the Personnel Director. Additionally, for the adoption or foster placement of a child, the employee must submit a statement from the agency specifying the date of the birth or placement. Similar statements may be required at any time during the leave and prior to the employee returning to work.

The City may require second and third medical opinions at the City's expense.

Employment

When an eligible employee returns from a leave, the employee will be placed in the same or equivalent position with equivalent benefits.

When an eligible employee takes an intermittent or reduced leave, the employee may be transferred temporarily to an alternate position with equivalent pay and benefits.

(An employee who has been employed less than a year, and worked less than 1250 hours in that year is not guaranteed the same or equivalent position, pay, or benefits.)

The failure of an employee to return to work at the conclusion of the leave may subject the employee to termination of employment.

Questions

This policy is intended to comply with the Family and Medical Leave Act of 1993 (FMLA revisions effective January 16, 2009). In the event of discrepancies, the Act will control.

Additional information regarding this policy, or the definitions used herein, may be obtained from notices posted on the bulletin boards and from the Family and Medical Leave Act available in the Personnel Department.

CHAPTER V: MATTERS AFFECTING THE STATUS OF EMPLOYEES

5.01 ATTENDANCE

Employees shall be in attendance at their work stations in accordance with the rules and regulations established for each department. All departments shall keep daily attendance records of all employees, which shall be reported to the payroll office on the form and on the date specified by the City Manager.

- (A) Except for non-exempt employees, any employee who is late for work may not be paid for the time absent from work, at the discretion of the department head or designated representative.
- (B) Persistent violators shall be subject to further disciplinary action to include dismissal.

5.02 WORK HOURS

Except for firefighters, Police Officers and exempt employees, normal work hours for all employees shall be 40 hours per week. Work hours for police and fire employees shall be in accordance with state statutes and departmental regulations.

The City reserves the right to adjust and change hours of work, days of work, and schedules, in order to fulfill its responsibility to the citizens of Texarkana. In the event of an emergency, previously scheduled hours of work, days of work, and work arrangements may be altered at the discretion of the department head. Changes in work schedules will be announced as far in advance as practicable.

5.03 OVERTIME PAY

Overtime will be paid in compliance with the Federal Fair Labor Standards Act.

Eligible (non-exempt) employees will be paid overtime for hours worked in excess of 40 hours per week (except for Fire and Police Department). Eligible Fire Department personnel, working 24 hour shifts, shall be paid overtime for hours worked in excess of 212 hours per 28 day work period. Overtime compensation will be one and one-half times the regular hourly rate of pay. No leave or holiday pay will be credited toward hours worked in the computation for overtime unless it is billable overtime that will be reimbursed by an outside agency. Overtime of less than 15 minutes will not be compensated.

The Police Department may elect to adopt shift and corresponding compensation and overtime accrual models for some or all of its personnel in accordance with the Federal Fair Labor Standards Act (including, without limitation, 29 U.S.C. 207(k)).

Fire Department:

For overtime purposes, the hourly rate of pay for Fire Department employees on 24 hour shifts shall be determined by dividing total base pay by the number of hours paid for during the 28 day work period. The number of hours paid for will normally be either 216 (9 shifts) or 240 (10 shifts).

Except in case of an emergency, advance approval of all overtime shall be made by the department head.

5.04 OVERTIME COMPENSATION ELIGIBILITY

The determination of employees eligible for overtime compensation will be based on the federal Fair Labor Standards Act (FLSA) provisions for executive, administrative, and professional employee exemptions. Exempt positions include, at the City Manager's discretion, but are not limited to:

5.05 COMPENSATORY TIME

Effective January 1, 2010, the City will not allow accrual of compensatory time. Overtime will be paid out as it is earned in strict accordance with Local, State and Federal laws. Employees that have prior compensatory leave accrued can use that leave as they see fit, with their Department Head's approval. All City employees that have accrued compensatory time are encouraged to request to be paid out for that accrued leave.

5.06 VACANCIES AND PROMOTIONS

It is the intent of the City of Texarkana, to hire and promote the most qualified applicant for all vacant positions. To give the employees of the City of Texarkana the opportunity to apply for job vacancies, announcements of job openings, with the job description, will be posted on employee bulletin boards for a minimum of five working days.

The final decision regarding promotions shall be made by the city manager with the department head's recommendation.

5.07 TRAINING

The City of Texarkana is committed to continuing and on-going training for all employees. However, in addition to formal training provided by the City for various positions, each employee is responsible for determining whether there has been sufficient training for proper job performance. In the event the employee feels additional training is needed, the supervisor or department head should be notified. Expenses incurred in on-the-job training will be assumed by the City.

5.08 JOB SAFETY

It is the responsibility of all department heads to formulate and ensure compliance with all job safety guidelines. Copies of all pertinent safety guidelines shall be posted in each department. Each employee has a responsibility to be aware of all safety responsibilities in all assigned duties and in the operation of all equipment. Safety is largely a practice of good judgment and the practice of good work habits. Any employee who is uncertain of a safety procedure is to ask the supervisor or department head for direction.

The following safety rules should always be observed:

- Follow all departmental safety rules.

- Use all mechanical safeguards on or for equipment.
- Immediately cease using and report any faulty or potentially faulty equipment.
- Immediately report any unsafe or potentially unsafe working condition.
- Immediately report any accident to the supervisor or department head.

The Safety Manual adopted by the Board of Directors is to be complied with by all employees as directed by the Safety Officer.

5.09 REFUSAL TO WORK

The City of Texarkana is committed to public service. Any employee work stoppage, slowdown, strike, or other intentional interruption of the operations of the City shall cause the employee to forfeit his or her employment and result in the termination of the employee from the City of Texarkana.

5.10 RESIGNATION/TERMINATION

Employees desiring to terminate their employment relationship with the City of Texarkana are urged to notify the City at least two weeks in advance of their intended termination. Such notice should be given in writing to the employee's department head or supervisor. The department head is to forward the resignation letter to the Personnel Office as soon as it is received. Proper notice generally allows the City sufficient time to calculate all final accrued moneys due the employee for the final paycheck. All final checks will be distributed from the Personnel Office. To receive a final check, the employee must have completed the following steps:

- Have a letter of resignation on file in the Personnel Office.
- Return all City-owned property to the appropriate department head.
- Complete an exit interview in the Personnel Office.

The employee's final check will include moneys due the employee for accumulated leave, insurance reimbursements, etc. Any reimbursement due the City for tuition aid, insurance payments, etc., will be deducted from the employee's final check. Unless requested in writing by the employee, all final pay will be issued on the next regular pay day.

An employee resigning to relocate to another area who has complied with the above termination procedures may submit a written request that the Personnel Office forward the final check by mail.

Special Note: Any request for references on former City employees shall be referred to the Personnel Office for response.

5.11 REEMPLOYMENT

Seniority may be reinstated subject to the following guidelines:

- The employee must have three years service with the City at time of resignation.
- The resignation must be the first from City employment.
- A vacant position must be available at the same or lower level, as the position from which the employee resigned.
- The reinstatement must occur within six months of the resignation.

Employees who have resigned in good standing may be reemployed and reinstated to the same or lower position in the same department at the discretion of the City Manager with the recommendation of the department head.

5.12 PROBATIONARY PERIODS

Civil Service:

Arkansas state law provides for a period of probation, not to exceed 12 months for potential fire department appointees and at least one (1) year but no longer than two (2) years for potential law enforcement appointees before any appointment is complete and six months before any promotion is complete. (ACA 14-51-301)(7)(A).

Non-Civil Service:

Non-civil service employees have a standard six month probationary period.

5.13 AT-WILL EMPLOYMENT

As mentioned elsewhere in this handbook, all employee relationships with the City of Texarkana are on an at-will basis. Thus, although the City of Texarkana hopes that the relationship with an employee is long term and mutually rewarded, the City reserves the right to terminate the employment relationship of any employee at any time, with or without cause.

CHAPTER VI: STANDARDS OF CONDUCT

6.01 CONDUCT TOWARD THE PUBLIC

Employees of the City of Texarkana shall at all times be civil, orderly, and courteous in their conduct and demeanor. In each contact with the public, an employee must be aware that personal appearance, actions, and statements are, in essence, those of the City.

In dealing with the public, each employee must make every effort to inspire respect for the City and to generate the cooperation and approval of the public.

Not everyone an employee may meet in the course of his or her duties will be courteous. However, an employee should treat the public with courtesy, patience, respect, and understanding. This attitude or approach to public service cannot be overemphasized.

When an employee is not certain of the correct response to an inquiry from the public, the inquiry should be referred to the individual or the department which can provide the most satisfactory response to the inquiry. It is better to admit lack of knowledge than to provide erroneous information. The following represent management's and employee commitment to our citizens and customer:

- All City employees must work together as a team to insure that residents and visitors are pleased with our public contacts and services provided.
- All employees shall take part in any training required for their positions and particularly, training provided for the best possible service to the citizens. Each employee should think of himself as an ambassador of the City, both in and outside of the workplace.
- An employee receiving a complaint or a request for service should handle that complaint or request until it's resolved or satisfied. At no time should a City employee be rude or unresponsive to any citizen or to another employee.
- Remember that you are always in the public eye. Consider every action, rest period, or public contact as if it were appearing on the front page of the newspaper.
- When dealing with the public, whether on duty or off, try to keep a positive attitude. We only hurt ourselves when we run down certain aspects of our City.
- Try to escort citizens who ask you about getting to a particular location or destination. Don't just point them in a general direction.
- Try to be generally knowledgeable about the functions of City departments, particularly about those areas which you are frequently asked.
- Use proper telephone etiquette. Try to answer every phone call within three rings. In the event that you are away from your phone and receive voicemail, answer all messages within 24 hours of when the call was made (or the following business day).
- Take pride in and care of your personal professional appearance as well as the appearance of your workplace. Ensure that you know your role in all situations. Promoting the City of Texarkana, Arkansas and serving its citizens is the responsibility of every employee.

6.02 CONDUCT TOWARD FELLOW EMPLOYEES

Just as employees are expected to be courteous in their contact with the public, they are also expected to treat co-workers with the same respect and courtesy.

6.03 CHAIN OF COMMAND

Each department shall establish a departmental chain of command and regulations. Employees are to discuss employment problems or issues with their immediate supervisor. If the supervisor cannot resolve the matter, the supervisor is to go with the employee to the next higher staff person. If necessary, the matter will continue through the chain of command to the City Manager, where, for personnel matters, the process ends. The City Board of Directors is a legislative body which sets policy and functions as authorized by Arkansas state law. However, it does not involve itself with individual personnel matters and day to day operations of the City.

The chain of command also operates in reverse, and higher level staff members should not bypass the proper chain of command procedures except in an emergency.

6.04 UNIFORMS AND PERSONAL APPEARANCE

Uniforms will be provided to personnel of certain departments, as authorized by the Board of Directors. Personnel who are provided uniforms shall wear uniforms at all times while on duty. Uniforms shall be kept as neat and presentable as working conditions permit.

Employees not required to wear uniforms should dress in appropriate, professional departmental attire.

Even in a business casual work environment, clothing should be pressed and never wrinkled. Torn, dirty, or frayed clothing is unacceptable. All seams must be finished. Any clothing that has words, terms, or pictures that may be offensive to other employees is unacceptable. Clothing that has the company logo is encouraged.

All City employees are required to wear City issued identification cards.

Certain days can be declared dress down days, generally Fridays. On these days, jeans and other more casual clothing, although never clothing potentially offensive to others, are allowed.

If an employee is not sure what appropriate attire is, his/her supervisor or department head should be consulted.

6.05 UNLAWFUL HARASSMENT

The City Board and City Manager expressly prohibit any form of unlawful employee harassment based on race, color, religion, sex, national origin, age, handicap, or status as a veteran. Improper interference with the ability of the City's employees to perform their expected job duties is not tolerated.

Harassment is any annoying, persistent act or actions that single out an employee, to that employee's objections or detriment, because of race, sex, religion, national origin, age, or disability. Harassment may include any of the following:

- Verbal abuse or ridicule
- Interference with an employee's work
- Displaying or distributing sexually offensive, racist, or other derogatory materials
- Discriminating against any employee in work assignments or job-related training because of one of the above-referenced bases
- Intimate physical contact
- Making offensive, sexual, racial, or other derogatory innuendoes, comments, or jokes

- Demanding favors (sexual or otherwise), explicitly or implicitly, as a condition of employment, promotion, transfer, or any other term or condition of employment.

It is every employee's responsibility to ensure that his or her conduct does not include or imply harassment in any form. If, however, harassment or suspected harassment has been or is taking place, the following will apply:

Complaint Procedure:

If an employee experiences any job-related harassment based on sex, race, or another factor, or believes there has been unlawful, discriminatory treatment, the incident is to be promptly reported to the department head or the Personnel Office. The complaint will be kept confidential to the maximum extent possible.

Each complaint will be fully investigated and determination of the facts with an appropriate response will be made on a case-by-case basis.

If it is determined that an employee is guilty of harassing another employee, appropriate disciplinary action will be taken against the offending employee.

The City of Texarkana will not tolerate harassment or any form of retaliation against any employee for filing a bona fide complaint under this policy or for assisting in a complaint investigation. However, if after investigating any complaint of harassment or unlawful discrimination, the City determines that the complaint is not bona fide or that an employee has provided false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or whomever provided the false information.

6.06 GUIDELINES FOR APPROPRIATE CONDUCT

An employee of the City of Texarkana is expected to accept certain responsibilities, adhere to acceptable principles in matters of personal conduct, and exhibit a high degree of personal integrity at all times. This requires respect for the rights and feelings of others and that an employee refrains from behavior that might be harmful to the employee, any co-workers, the citizens, and/or the City.

While an employee is on duty, his or her conduct reflects on the City. An employee is encouraged to observe the highest standards of professionalism at all times.

Types of behavior and conduct that the City considers inappropriate while on duty include, but are not limited to, the following:

- 1) Falsifying employment or other City records
- 2) Violating any City non-discrimination and/or harassment policy
- 3) Soliciting or accepting gratuities from citizens
- 4) Excessive absenteeism or tardiness
- 5) Unnecessary or unauthorized use of City property
- 6) Reporting to work intoxicated or under the influence of non-prescribed drugs, and/or illegal manufacture, possession, use, sale, distribution, or transportation of drugs.
- 7) Using alcoholic beverages
- 8) Fighting or using obscene, abusive, or threatening language or gestures
- 9) Theft of property from co-workers, citizens, or the City
- 10) Disregarding safety or security regulations
- 11) Insubordination
- 12) Neglect or carelessness resulting in damage to City property or equipment
- 13) Unsatisfactory performance of the quantity or quality of work considered standard for the position
- 14) Discourtesy to the public
- 15) Gambling

16) Failure to follow the chain of command procedure

6.07 DISCIPLINARY ACTION

Non-Civil Service:

Should an employee's performance, work habits, overall attitude, conduct, or demeanor become unsatisfactory and in violation of any of the above referenced items, or any other City policies, rules, or regulations, an employee will be subject to disciplinary action up to and including dismissal.

Disciplinary Action May Be:

-Warning or Reprimand: A reprimand is action used to alert the employee that his or her performance is not satisfactory, or to call attention to the employee's violation of employment, rules, and/or regulations. City employees may be officially reprimanded orally or in writing and such reprimand will be entered in the employee's personnel file.

-Suspension: Suspension involves the removal of an employee from his or her job. An employee may be suspended with or without pay. A suspension must be in writing. The reason for such action, the period of time for the suspension, and the date the suspension is to begin and end must be noted also. Following suspension, the employee's conduct will be closely reviewed by the supervisor, and if there is a further instance of unsatisfactory performance or conduct, further disciplinary action shall be taken. This section does not apply to employees in FLSA exempt status, except when imposed in good faith for major safety violations.

-Demotion/Transfer: An employee who has committed an offense or whose work establishes grounds for demotion or transfer will be given written notice of such action. A demotion or transfer is an action that places the employee in a position of less responsibility and less pay.

-Termination: This type of disciplinary action is a removal of an employee from City employment. An employee who has committed a serious offense or whose work establishes grounds for termination will be given written reasons that can be supported at a pre-termination hearing.

In any case where a written disciplinary action is given to an employee, the employee shall acknowledge receipt of the notice with his/her signature. This is not an admission of guilt or agreement with the action. However, refusal to sign the acknowledgment of receipt of disciplinary action shall be grounds for termination.

NOTE: This section is not intended as an abridgment of the employment at-will doctrine. The City is not limited to dismissing employees for disciplinary reasons but may also dismiss employees at the will and discretion of the City at anytime with or without cause, and with or without any of the first three disciplinary actions listed above.

Civil Service:

Types of disciplinary actions for Civil Service employees are detailed in the Fire Department Manual of General Orders and/or Police Department Manual of General Orders.

6.08 PROCEDURE FOR REVIEW OF DISCIPLINARY DECISIONS

Non-Civil Service:

Review of all disciplinary matters shall be conducted as follows:

- 1) A written grievance shall be filed with the department head within five working days after the disputed disciplinary action.
- 2) The department head will investigate the situation and respond in writing to the employee, within five working days. To the extent possible, the grievance should be resolved at this level.
- 3) In the event Step 2 does not satisfy the employee, a written appeal may be made to the Personnel Office within three working days.
- 4) The Personnel Office or designee, will review the case, gather data, interview all concerned parties, and submit a written report to the City Manager within five working days.
- 5) The City Manager will review all information and respond to the complaint in writing within 10 working days. The City Manager's decision is final. A copy of the City Manager's decision shall be forwarded to the Personnel Office.

Civil Service:

The grievance and appeal procedures for City service employees are detailed in the Commissioned Officers Handbook of Rules and Regulations, as approved by the City Service Commission pursuant to the laws of the State of Arkansas.

6.09 ABSENTEEISM AND TARDINESS

The City of Texarkana expects all of its employees to be at work on time and on a regular basis. When employees are unnecessarily absent or late, it is expensive, disruptive, and places an unnecessary burden on fellow employees, supervisors, City government as a whole, and the taxpayers who receive City services. Should an employee be unable to report to work on time because of illness or personal emergency, the employee should give his supervisor proper notice as detailed in 4.02 Sick Leave. Unexcused absences and tardiness could result in disciplinary action.

6.10 INCLEMENT WEATHER

In exceptional circumstances beyond the employee's control, such as weather causing hazardous conditions, the employee is required to contact his or her supervisor for instructions regarding job assignments for that particular work day. If an employee's department is open for business, the employee is expected to report to work. However, if in the employee's opinion, the conditions are too hazardous to get to work safely, he or she will have the option of taking the time off as a vacation day. Regardless of the situation, an employee is expected to give the supervisor "proper notice", if unable to report for work. "Proper notice" is defined to be notice in advance of the time an employee should report for work or no later than 30 minutes thereof.

An absence of an employee from duty, including any absence of one day or part thereof that is not authorized in advance by the department head or the employee's supervisor, shall be deemed absence without leave. Such absence shall be without pay.

6.11 OUTSIDE EMPLOYMENT

An employee considering additional employment should discuss such plans with his or her department head and receive approval for additional employment.

If, as an employee of the City, an employee accepts an additional job, it must not interfere with the proper and effective performance of his or her job with the City. An employee's outside employment must not be of a nature that adversely affects the image of the City, resulting in embarrassment, legitimate and reasonable criticism, or of a type that may be construed by the public to be an official act of the City. It must not in any way violate City policies. City uniforms shall not be worn during outside employment unless approved in advance by the City Manager.

6.12 POLITICAL ACTIVITY

City employees are encouraged to exercise their legal right to vote and, if necessary, reasonable time will be granted for the purpose.

Generally, political activities while on duty are prohibited by Arkansas law (ACA 7-1-103). Political campaigners shall not solicit support from City employees during work hours on City premises.

6.13 CITY GOVERNMENT

Texarkana, Arkansas operates under a City Manager form of government. The City Manager is the chief executive officer and is appointed by the Board of Directors. He is responsible for overall management and operation of City Government. The Board of Directors is the supreme legislative and executive body of municipal government. Board members are elected from wards; the mayor is elected at large, votes as a Board member, has no veto power and presides at Board meetings. (14-47-100 to 14-47-140)

6.14 CIVIL SERVICE COMMISSION

All uniformed police and fire employees, once they have completed their probationary period (1 year), are governed by the City of Texarkana Arkansas Civil Service Commission. The composition and duties of the commission are established by state law.

6.15 OUTSIDE COMPENSATION

No reward, gift, or other form of remuneration, in addition to regular compensation, shall be received from any source by employees of the City for the performance of their duties. If a reward, gift, or other form of remuneration is made available to any employee, it shall be credited to the City's General Fund.

6.16 DRUG FREE WORKPLACE

Random drug testing program shall be extended to all City employees as provided in the Drug Free Workplace Ordinance adopted by the Board of Directors.

Use of Narcotics, Alcohol, and Tobacco:

It is the policy of the City of Texarkana, to maintain a work environment free from the unlawful manufacture, distribution, dispensation, possession, use, or effect of a controlled substance (as defined by the Federal Controlled Substance Act or similar state statutes) and free from the use, possession, and effect of alcoholic beverages. The City of Texarkana recognizes that drugs and alcohol impair employee judgment, which may result in increased safety risks, hazards to the public, employee injuries, faulty decision-making, and reduced productivity. Therefore, the City of Texarkana expects all employees to be in a state of mind and physical condition, fit to complete their assigned duties safely and competently during work hours.

The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or the possession or use of an alcoholic beverage by an employee while on duty, during lunch, and/or other breaks, or at any time while the employee is on a City work site, on City working time, or at any time while using a City vehicle or other motorized equipment is absolutely prohibited and constitutes cause for termination of employment.

Any employee convicted (a finding of guilt, including a plea of nolo contendere, or imposition of sentence, or both, by any judicial body charge with the responsibility to determine violations of federal or state criminal statutes) of violating criminal statutes pertaining to controlled substances and/or alcohol, occurring at any time on or off City property, on a City work site, or on City working time while conducting City business, must immediately (no later than 5 days from the date of the conviction) report the conviction to their supervisor or be subject to disciplinary action up to and including termination of employment. Such conviction may itself also constitute grounds for disciplinary action up to and including termination of employment.

All employees using a prescription or non-prescription drug which may in any way affect their job performance, must promptly notify their supervisor in writing as to the possible effects of such medication on the performance of their assigned duties and related physical/mental capability. A City department head or supervisor may require a physician's statement if the employee indicates that there is a need to use a prescription or non-prescription drug for three days or longer.

Each department head or supervisor may establish smoking policies for his or her departmental employees.

Drug/Alcohol Testing Upon Reasonable Suspicion:

If a City department head or supervisor has reasonable suspicion that an employee, at work or when reporting to work, appears to be under the influence of a controlled substance and/or of an alcoholic beverage and therefore appears to be impaired and unfit for duty, the employee will be required to consent to a drug/alcohol test. If an employee refuses to consent to a drug/alcohol test, disciplinary action, up to and including termination of employment will be initiated.

Reasonable suspicion is a belief based on objective facts, sufficient to lead a reasonably prudent person to suspect that an employee is under the influence of a controlled substance and/or of an alcoholic beverage, so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform the job safely is reduced.

Observations which constitute a factual basis for determining reasonable suspicion may include, but are not limited, to the odor of an alcoholic beverage or drug; erratic behavior; violent mood swings; excessive absenteeism, including tardiness; a medical emergency which could be attributed to substance or alcohol abuse; physical on-the-job performance, or an accident which is caused by the apparent action or inaction of the employee.

The department head or supervisor will describe the incident in writing, documenting the circumstances leading to the conclusion that a drug/alcohol test is necessary. Such documentation will include the date, time, place, description of incident, and statements of witnesses. Any other evidence such as drugs, drug paraphernalia, containers, etc. will be collected.

After documenting the incident, the department head will contact the Personnel Administrator to determine if drug/alcohol testing is appropriate and, if appropriate, to arrange for testing. If drug/alcohol testing is appropriate, the supervisor or department head will transport the employee to a drug/alcohol test collection facility. The drug/alcohol test may be a type based on urine, or

other type of sample, as appropriate. After testing, the employee will be transported home by his supervisor or relative, and told not to report to work until the results of the test are known. If the employee's supervisor reasonably determines that the employee is incapable of being managed, the Police Department may be contacted for assistance.

Workplace Accident:

In the event of a workplace accident, whether resulting in an on-the-job injury or not, a City department head or supervisor may require those employees in the work group experiencing the accident to submit to a drug/alcohol test under the guidelines set forth above for reasonable suspicion testing.

Searches on City Property:

A City department head or supervisor may conduct a reasonable search of any City property at any time and especially when employees in a work group experience an accident. City property includes, but is not limited to, City owned or leased buildings, parking facilities, City vehicles and/or motorized equipment, containers located in or on City vehicles and/or motorized equipment, as well as lockers and desks.

The personal property of City employees may also be searched if the employee's personal property is on City property and the employee signs a consent form. Whether or not a consent form is signed, any information obtained which may relate to violations of federal or state criminal statutes will be transmitted to the appropriate law enforcement agency.

Drug-Free Awareness Program:

To educate employees on the danger of drug abuse, the City has established a drug-free awareness program. Periodically, employees will be required to attend training sessions at which the dangers of drug abuse, the City's policy regarding drugs, the availability of counseling, and other types of information will be presented.

Employees who violate any aspect of this policy will be subject to disciplinary action, up to and including termination. At its discretion, the City may require employees who violate this policy to successfully complete a drug abuse assistance or rehabilitation program as a condition of continued employment.

6.17 SOCIAL MEDIA USE

This policy provides guidance on the use of social media for all City employees. To fully understand the purpose of this policy, social media includes blogs, wikis, microblogs, message boards, chat rooms, electronic newsletters, online forums, social networking sites, and other sites and services that allow users to share information with others in a contemporary manner.

Employees need to understand and comply with the City's Social Media Use policies. Failure to do so, could result in disciplinary action or termination of employment.

Job-Related Use

The City will allow job-related use of social media to further the goals of the City and the missions of its departments, where deemed appropriate. All city employees that are authorized to post information to social media sites will be subject to approval by the department head or designee. The City's website (<https://arkansas.txkusa.org/>) will remain the City's principal and predominant internet presence.

Employees shall maintain City related social media accounts separate from personal accounts, if practical.

Employees must receive a prior written approval from the department head or designee and agree to adhere to the City's social media and/or computer systems policies prior to posting any content on social media.

Personal Use

Employees should be aware of the effect their actions may have on their images, as well as the City's image. The information that employees post or publish may be public information for a long time. The following principles apply to professional and personal use of social media when referencing the City.

Employees should be aware that the City may observe content and information made available by employees through social media. Employees should use their best judgment to not post content that is inappropriate or harmful to the City or its employees.

The following list, although not inclusive, provides specific examples of prohibited social media conduct that includes examples of posting commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment.

Employees are not to publish, post or release any information that is considered confidential or not public. If there are questions about what is considered confidential, employees should check with the Human Resources Department and/or supervisor or department head.

Social media networks, blogs and other types of online content sometimes generate press and media attention or legal questions. Employees should refer these inquiries to authorized City's spokespersons.

If employees encounter a situation while using social media that threatens to become antagonistic, employees should disengage from the dialogue in a polite manner and seek the advice of a supervisor or contact the Human Resources Department.

Employees should get appropriate permission before referring to or posting images of current or former employees, members, vendors or suppliers. Additionally, employees should get appropriate permission to use a third party's copyrights, copyrighted material, trademarks, service marks or other intellectual property.

Social media use should not interfere with employee's responsibilities at the City. The City's computer systems are to be used for business purposes only. The use of the City's computer system and social media for business purposes is only allowed as described under Job-Related Use (ex: Facebook, Twitter, Instagram, Google, Flickr, etc. and the City's website), but personal use of social media networks or personal blogging of online content is prohibited and could result in disciplinary action, including termination of employment.
